This release was communicated IMDb - Boston Legal is a spin-off
to me by Amazon who still have of the long-running David E.
the 'blu-ray' release up for Kelley series The Practice (1997),
pre-order. This may well be a following the exploits of former
database mistake by Amazon, and Practice character Alan Shore
that this release could be the (James Spader) at the legal firm
Amazon repackaging of the four of Crane, Poole, and Schmidt.
